

## Childhood Lead Poisoning Prevention Program (CLPPP)

Click on the following to learn more about [Childhood Lead Poisoning Prevention](#)

Michigan Department of Community Health

Division of Family and Community Health  
109 East Washington Blvd

P.O. Box 30195  
Lansing, MI 48909  
Phone: (517) 335-8885  
Fax: (517) 335-8509

Functions of CLPPP include screening, statewide surveillance, follow-up of identified lead poisoned children, extensive public and professional education, primary prevention to reduce lead hazards before families are poisoned, and outreach efforts to identify adults occupationally exposed in an effort to prevent "take home lead."
