HOW CAN I HELP A FRIEND?

It's important not to ignore the abuse! Here is some information to remember if you are helping a friend who is experiencing abuse:

1. LISTEN. Give your undivided attention. Let them know that you have heard what they said.

2. BELIEVE. Believe what they are telling you. It has taken a great deal of strength and courage for your friend to tell you.

3. DO NOT JUDGE. Be careful not to make judgments about decisions they have made or the situation they're in.

4. TRY TO UNDERSTAND WHAT THEY ARE SAYING. Devote your efforts to understanding the thoughts, feelings and experiences they have chosen to share with you - not to finding out what you want to know.

5. BE SUPPORTIVE. Support their feelings and their choice to share them with you and acknowledge that it may have been difficult to do so.

6. REMIND THEM THAT THEY ARE NOT RESPONSIBLE FOR THE VIOLENCE OR ABUSE. They may feel that they have done something wrong, but explain to them that the abuser is the one who chose to use violence and is at fault.
