Memorandum

From: Terrie S. Godde, EMS Education Coordinator
To: All Michigan EMS licensed personnel
Re: Removal of Emcert from our approved on-line vendor list
Date: June 19, 2013

This memo is to notify all EMS licensed personnel that *emcert.com* is no longer an approved online continuing education vendor for the State of Michigan.

Our standardized credit (Blue Book) has been updated removing this site from our approved list. If you have an Emcert certificate that is dated *prior* to June 19, 2013, we will accept that certificate on audit of your license.

Also updated in the standardized credit book are the CE's available for Basic Life Support Healthcare Provider. There is 1 medical (practical) CEU approved for each CPR card during your licensure period. On error, a lecture credit was also placed in the Paramedic category.

Please check our website for any updated information, and feel free to call with any questions.

Respectfully;

A handwritten signature in black ink that reads "Terrie S. Godde".
