

FINGERTIP REPORT: B.1. SERVICE UTILIZATION SUMMARY for Adults with Mental Illness
All Funding Streams Including Medicaid and General Funds
Period: 1/1/2014 - 9/30/2014

During Fiscal Year 2014 (January 1, 2014 – September 30, 2014), the community mental health system served 120,836 adults with mental illness. The public mental health system provides these services through Medicaid funds, other forms of insurance, as well as state general fund dollars. Table B shows the number and percentage of adults with mental illness who received evidence-based services including Assertive Community Treatment (ACT), Supported Employment, Peer Services, Family Psycho-Education, and Dual Diagnosis Integrated Treatment. Detailed descriptions of these services are located in Michigan's Medicaid Provider Manual.

PIHP	MI-A Served	Assertive Community Treatment		Supported Employment		Peer Services		Family Psycho Education		Dual Diagnosis Integrated Treatment	
		#	%	#	%	#	%	#	%	#	%
