The American Lung Association urges you to get a flu shot!

**What:** Flu vaccination for anyone 6 months of age and older who wants protection from influenza this season. Residents must bring their Medicaid, Medicare (Part B), or Blue Cross cards for administration of the vaccine. A $10 service fee will be charged to residents without Medicaid, Medicare (Part B), or Blue Cross.

**When:** Wednesday, December 10, 2008 — 10:00am to 3:00pm

**Where:** Coleman A. Young Municipal Center, 2 Woodward Ave., 13th Floor Auditorium

**Why:** More than 2 out of 3 Americans are recommended for annual immunization.

Nearly everyone is a “face” of influenza — people who should get vaccinated against influenza every year.

Please bring friends, family members and coworkers for a flu shot. For more information, please contact the Department of Health & Wellness Promotion Immunization Program at (313) 876-4334.
