

Group Activity #1: Division Day

Division Day 2009 will be a full-day in October 2009.

As a small group, please review 2007 and 2008 Division Day formats/agendas. Discuss which type of format that you would prefer. If you would like to propose a new format, please describe.

As a small group, please suggest 2-3 topics and/or speakers for the 2009 Division Day. Possible suggestions of topics include:

- Mortality Reviews
 - Maternal Mortality
 - Asthma Mortality
 - Sudden Cardiac Death of Young
- Medical Home
- Electronic Medical Records
- Academic-practice Partnerships
- Emergency Systems
- Health Literacy
- Health Care Provider Surveys and Education
- Projects involving Linkage with Multiple State Databases.

Please feel free to make other topic suggestions. For each proposed topic, please suggest possible speakers. Please feel free to include MDCH and non-MDCH suggestions.
