

**State of Michigan
Michigan Department of Community Health (MDCH)
Health Innovation Grant Fund
Questions & Answers
Group 1**

Number	Bidder Question	State of Michigan Response
1.	Can an organization submit more than one application? If yes, is there a limit on the number of applications per organization?	Yes, an organization may submit more than one application. There is no limit on the number of applications per organization.
2.	I'm writing to you because I'd like to check in about the viability of our creative idea to use the existing infrastructure to address the pressing and unique health needs of a special population in Michigan. I wanted to check and see if this fits within the MDCH Healthcare Innovation guidelines before submitting a full proposal?	MDCH is interested receiving applications on creative ideas that organizations may have about improving health services in Michigan for review and consideration for approval. The concept you have identified would fit the criteria for submitting an application.
3.	Our agency would like to sponsor an education opportunity for health professionals in our area to improve their level of understanding of system/services changes. Is this within the scope of the grant?	MDCH is interested receiving applications on creative ideas that organizations may have about improving health services in Michigan for review and consideration for approval. The concept you have identified would fit the criteria for submitting an application.
