

**MDHHS Contract Hearing Aid Definitions  
BELTONE**

**BEHIND THE EAR TYPES** - The total price shall be for a single hearing aid or two hearing aids and appropriate case. List model numbers/name and full range of the instrument has a T-coil or T-coil capability. For digital aids, indicate whether a remote control is required. For conventional aids, indicate whether it is a linear or compression circuit L = Linear, C = Compression.
