

## INDIVIDUAL CAREGIVER AND AGENCY COUNTY RATES

The following table lists the individual caregiver and agency provider rates for each county. Per Public Act 67 of 2019, the Michigan Department of Health and Human Services (MDHHS) received funding to provide Home Help individual caregivers a wage increase to \$9.90 per hour effective April 1, 2020. Individual caregivers who receive more than \$9.90 per hour will not receive the wage increase.

Effective October 1, 2019, MDHHS moved to one statewide rate for all Home Help agency providers. The new statewide rate for Home Help agency providers is \$16.08 per hour. Historical individual caregiver and agency provider county rates are located in MiAIMS on the provider assignment screen.

Due to the COVID-19 state of emergency, individual caregivers were approved for a premium pay increase. In addition to the current county rate of pay, individual caregivers received \$2.00 per hour premium pay effective April 1, 2020 through February 28, 2021. Effective March 1, 2021 through September 30, 2021 individual caregivers will receive \$2.25 per hour premium pay.

From April 1, 2020 through February 28, 2021 agency providers received a premium pay increase of \$2.00 per hour for agency caregivers, along with \$.24 per hour for agencies to cover additional costs associated with implementing the increase. Beginning March 1, 2021 through September 30, 2021 agency providers will receive \$2.25 per hour for agency caregivers and an additional \$.27 for implementing the increase. Effective March 1, 2021 through September 30, 2021 agency providers can bill a total of \$18.60 per hour.

Note: The COVID-19 premium pay is not included in the table below.
