

December 22, 2009

<PROVIDER NAME MAILING>  
< <ADDRESS2>  
<CITY, STATE and ZIP>

Dear Adult Foster Care and Homes for the Aged providers:

This letter is being sent as follow-up to a November 23, 2009, Michigan Department of Community Health (MDCH) letter (L-09-33) that announced the implementation of the Adult Services Authorized Payments (ASAP) system. The purpose of this letter is to provide you with a PIN number that you will need in order to access ASAP beginning January 1, 2010.

Your Pin number is: **<PIN ID>**

ASAP is the paperless claim processing system that will provide automated electronic billing for personal care services provided through the Department of Human Services (DHS) or Community Mental Health (CMH). ASAP is replacing the Model Payments System (MPS) that is ending December 31, 2009.

Invoices will be electronically generated by phone calls to a **NEW** toll-free number or through a new website as noted below. Providers will continue to verify, by phone or on the web, services provided during the month. ASAP will compare the services provided with the services authorized and an invoice will be submitted to MDCH. ASAP will generate standard reports to assist in record keeping and payment monitoring. These reports will only be available via the web.

There is no charge for the use of ASAP. Service will be available 24 hours per day, 7 days a week.

Your new PIN number that is required to access ASAP is printed above.

- Providers that will access ASAP using the toll-free number will need to keep the new PIN number in a safe place. It will be needed in order to access ASAP each time a call is made.
- Providers that will access ASAP using the State of Michigan's Single Sign On (SSO) site will use the new PIN number only during the registration process. Once the registration process has been completed, the SSO User ID will be needed to access ASAP.

Other changes that all providers must note:

- The new toll-free phone number: 1-800-798-1409
- The new website: <https://sso.state.mi.us>, the State of Michigan's Single Sign On (SSO) site
- Beginning in calendar year 2010, issuance of 1099s to all providers

MDCH will post updates and training materials pertinent to ASAP on the MDCH website. This information can be found at [www.michigan.gov/mdch](http://www.michigan.gov/mdch). Click on Providers >> Providers >> Other Health Care Programs >> Adult Foster Care.

Sincerely,

Stephen Fitton, Director  
Medical Services Administration

Michigan Department of Community Health
