Dear Tribal Chair and Health Director:

**RE:** Disproportionate Share Hospital (DSH) Process Reform

The Michigan Department of Community Health (MDCH) is notifying you of its intent to submit a State Plan Amendment that will provide a means of reforming the DSH Process in response to DSH audit-related recoveries. The reform will expand MDCH's current DSH payment allocation policy to recalculate ceiling and payment amounts the year following the original calculation. The new process will also allow hospitals to provide input into the DSH calculations by providing an opportunity to review ceiling and payment amounts, decline DSH funds, and downward adjust their DSH ceiling. These changes will be effective on September 1, 2012, and will be made in a manner that is budget neutral to the State of Michigan.

You may submit comments regarding this Notice of Intent to [msapolicy@michigan.gov](mailto:msapolicy@michigan.gov). If you would like to discuss the Notice of Intent, please contact Mary Anne Tribble, Medicaid Liaison to the Michigan Tribes. Mary Anne can be reached at (517) 241-7185 or via e-mail at [tribblema@michigan.gov](mailto:tribblema@michigan.gov).

There is no public hearing scheduled for this State plan amendment.

Sincerely,

Stephen Fitton, Director  
Medical Services Administration
