Dear Tribal Chair and Health Director:

RE: Notice of Intent to submit a State Plan Amendment as required to comply with Section 1202 of the Affordable Care Act which provides increased payments for certain Medicaid primary care services.

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment.

MDCH intends to implement Section 1202 of the Affordable Care Act, which provides increased payments for certain Medicaid primary care services. Under this provision, physicians with a specialty designation of family medicine, general internal medicine, or pediatric medicine that provide eligible primary care services will be paid the Medicare rates in effect in calendar years (CY) 2013 and 2014 (or if greater, the Medicare rate in effect in 2009) instead of the usual state-established Medicaid rates. The increase will apply to a specific set of services and procedures that the Centers for Medicare & Medicaid Services (CMS) designates as "primary care services."

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Mary Anne Tribble, Medicaid Liaison to the Michigan Tribes. Mary Anne can be reached at (517) 241-7185 or via e-mail at tribblem1@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
