Dear Tribal Chair and Health Director:

RE: Ambulatory Surgical Center (ASC) Reduction Factor and Disproportionate Share Hospital (DSH) Pool Size Change

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment.

The Michigan Department of Community Health (MDCH) is notifying you of its intent to submit a State Plan Amendment that will update the ASC reduction factor to maintain budget neutrality for the Medicaid program in response to a Medicare rate change. The change is effective January 1, 2013. In addition, MDCH will increase the size of its DSH pool for a hospital that has an approved agreement between itself and a university with both a college of allopathic and a college of osteopathic medicine to \$3.5 million. These processes will be completed in a manner that is budget neutral to the State of Michigan.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Mary Anne Tribble, Medicaid Liaison to the Michigan Tribes. Mary Anne can be reached at (517) 241-7185 or via e-mail at tribblem1@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
