Dear Tribal Chair and Health Director:

RE: Notice of Intent to Submit a State Plan Amendment to extend the Michigan Primary Care Transformation (MiPCT) project

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment to extend the Michigan Primary Care Transformation (MiPCT) project through December 2016.

The project is a multi-payer demonstration project aimed at improving health in the state, making care more affordable, and strengthening the patient-care team relationship. It is state-wide in scope and encompasses Medicare, Medicaid and Blue Cross Blue Shield of Michigan.

Assistance and support for the project will take place through a collaborative network of Physician and Physician Hospital Organizations (POs/PHOs) and shared learning facilitated by the MiPCT administration. Focus areas include care management, self-management support, care coordination and linkage to community services

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Lorna Elliott-Egan, MDCH Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via e-mail at Elliott-EganL@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
