Dear Tribal Chair and Health Director:

RE: Enrollment of Psychologists and Social Workers as Medicaid Providers

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment.

Pending approval by the Centers for Medicare and Medicaid Services, the Michigan Medicaid State Plan will allow fully-licensed psychologists (Doctoral level) and social workers (Master's level) to become enrolled with Michigan Medicaid to provide and be reimbursed for behavioral health services. Providers in Michigan must be currently licensed by the Department of Licensing and Regulatory Affairs. Out-of-state providers must be licensed by the appropriate standard-setting authority in the state in which they are practicing.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent, please contact Lorna Elliott-Egan, MDCH Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via e-mail at Elliott-EganL@michigan.gov.

There is no public hearing scheduled for this State Plan Amendment.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
