HEIRLOOM BIRTH RECORDS: The State of Michigan issues non-certified heirloom birth certificates with your choice of five designs, signed by the current Governor. The five certificates are suitable for framing and are mailed encased in cardboard shields to ensure protection. The certificates can be preserved as a family heirloom, but they are not intended as proof of birth.

By purchasing an heirloom certificate, or a gift certificate, a contribution is made to the Michigan Children's Trust Fund, which was established in 1982. The Fund serves as a voice for Michigan's children and families, and promotes their health, safety and welfare by providing financial support for local programs and services that prevent child abuse and neglect. For more information on the Children's Trust Fund, please visit their website at www.michigan.gov/ctf
