**MS. KELLOGG:** Good Afternoon, I am Natalie Kellogg, Departmental Technician to the Certificate of Commission from the CON Health Policy Section of the Department of Community Health. Chairperson Chip Falahee has directed the Department to conduct today's hearing.

Please be sure that you have completed the sign-in log. Copies of the standards and comment cards can be found on the back table with the sign-in log. A comment card needs to be completed and provided to me, if you wish to give testimony.

The proposed CON Review Standards are up for public comment. I'm not actually going to review all of the summarized changes those can be found on the web page at [www.michigan.gov/con](http://www.michigan.gov/con). The standards that are being reviewed are Air Ambulance Services, Cardiac Catheterization Services, Computed Tomography (CT) Scanner Services, Hospital Beds, Open Heart Surgery Services, Positron Emission Tomography (PET) Scanner Services, and Urinary Extracorporeal Shock Wave Lithotripsy (UESWL) Services.

If you wish to speak on the proposed Standards, please provide your comment cards to me. Additionally, if you have written testimony, please provide a copy, as well.

As indicated on the Notice of Public Hearing, written testimony may be provided to the Department via our website at [www.michigan.gov/con](http://www.michigan.gov/con) through Wednesday, January 29, 2014 at 5:00 p.m.

Today is Wednesday, January 22, 2014; we will begin the hearing now. Does anyone wish to provide testimony?

Seeing that we have no testimony, I will go ahead and adjourn.

**(Hearing concluded at 2:07 p.m.)**
