

## ***Question and Answers for the SEAL! Michigan 2014-2017 RFP***

- 1) **Question:** "Page 5 of the RFP.. under **need** it states " A focus of the proposal is addressing health disparities in health professional shortage areas(HPSA) and non- Healthy Kids Dental Counties. We are a "Non- Healthy Kids Dental County" but we are NOT a HPSA area. I'm assuming that is ok,,just wanted to clarify this."

**Answer:** You should insert this information in your grant proposal and justify the need for grant funds to be allocated to your county based on your unique community.

- 2) **Question:** "Page 5 of RFP- under **school commitment**...Can I use MOU's from this school year as they have shown their willingness to participate in the program. What about if it is a new school?"

**Answer:** Since this is a new RFP, new MOU's should be sought for schools that you are already in and schools that you anticipate servicing in the future to show school commitment.

- 3) **Question:** "Page 6 - under **Retention Checks**- I'm not understanding this sentence..." Retention checks of 50% of sealants placed must be completed 3-6 weeks after selant [sic] placement with a new provider for the three months of employment---was this supposed to say for the first 3 months of employment?"

**Answer:** Yes, for the first three months of employment.

- 4) **Question:** "Because the sealant program can refer to our own "Miles of Smiles" we don't need a MOU,,,correct"?

**Answer:** You will want to either include a MOU or be certain to communicate your direct relationship with Miles of Smiles very clearly in your proposal.
