

Want to increase ADOLESCENT VACCINE COVERAGE among your patients?

BENEFITS

IT'S FREE!!

This project is free to join and its benefits will be provided at no cost to you!

COST EFFECTIVE

This project may increase patient flow to offer opportunities for improved revenue and immunization coverage. Many health plans offer financial incentives for high immunization coverage levels.

STREAMLINE IMMUNIZATIONS

This project will support immunization best practices in your office and offer tools catered toward your specific needs and preferences.

WE CAN HELP!!!

MDCH is implementing this exciting new project in the areas below:

City of Detroit
Genesee County
Livingston County
Macomb County
Monroe County
Oakland County
St. Clair County
Washtenaw County
Wayne County

ENROLLMENT FORMS WILL BE SENT OUT AND
MADE AVAILABLE BY FEBRUARY 15.

Throughout the two-year project, participating providers will receive:

- **Free** education and training on registry-based reminders and recalls
- **Free** mailing of initial reminder and recall notices to patients
- **Free** instruction on provider-level reminders and recalls with technologies such as email, phone, and text
- **Free** feedback and educational sessions on how your office currently performs on getting adolescents up-to-date with needed vaccines
- **Free** toolkits, resources, and hands-on support from MDCH staff throughout the entire project
