

# Requesting State Trauma Registry Access

To request a username and password for Hospital Staff access to the State Trauma Registry (ImageTrend) for your trauma facility, **contact your local ImageTrend Hospital Administrator** (typically a Trauma Registrar or Trauma Program Manager).

To request a username and password for Hospital Administrator access to the State Trauma Registry (ImageTrend) for your trauma facility, send the following information to State Trauma Registrar at [statetraumaregistrar@michigan.gov](mailto:statetraumaregistrar@michigan.gov) or fax to (517) 335-9434.

Name:

Address:

Phone Number:

Email:

Facility Name:

Level of Permission requested: **HOSPITAL ADMINISTRATOR\***

\*(Note: One contact per facility will be given Hospital Administrator permission, which allows them to add and/or edit staff who have access to your data)
