Policy and Methods for Establishing Payment Rates (Other than Inpatient Hospital and Long Term Care Facilities)

- the provider's usual and customary charge minus any third party payments, contractual adjustments, and any applicable Medicaid co-payment, patient pay, or spend-down amounts.

A provider's customary charge refers to the amount which the individual practitioner charges in the majority of cases for a specific medical procedure exclusive of token charges for charity patients and substandard charges for welfare and other low income patients.

Payment adjustments will be made for practitioner services provided through the following public entities:

- University of Michigan Health System
- Wayne State University
- Hurley Hospital
- Michigan State University
- Oakland University
- Western Michigan University
- CENTRAL MICHIGAN UNIVERSITY

Adjustments apply to dates of service on or after April 1, 2006. Beginning January 1, 2011, Oakland University will be eligible for pricing adjustments under this program. Beginning July 1, 2012, Western Michigan University will be eligible for pricing adjustments under this program. Beginning January 1, 2013, Central Michigan University will be eligible for pricing adjustments under this program. Eligibility for these adjustments is limited to individual practitioners or practitioner groups designated by the public entities. Service provided by the following practitioners, when not included in facility payments to the public entity, are included:

- Physicians (MD and DO)
- Ophthalmologists
- Oral Surgeons
- Dentists
- Podiatrists
- Physician's Assistants
- Nurse Practitioners
- Certified Nurse Midwives
- Certified Registered Nurse Anesthetists
- Certified Anesthesiologist Assistants
- Optometrists

Adjustments apply to both public and private practitioners and practitioner groups. Practitioners and practitioner groups are either employees of the public entity or are under a contract with the public entity. All services eligible for the payment adjustment are billed under the federal employer number of the public entity or under the employer identification number of the practitioner/practitioner group. Billings are submitted by the public entity or by the practitioners/ practitioner groups. The Medical Services Administration must concur with the public entity's designations in order for the payment adjustment to be applied.
