

**AMBULANCE SAFETY INSPECTION
 NOTARIZED STATEMENT**

Instructions: Sections I, II & III of the prescribed form must be completed by a certified mechanic before the ambulance being sold provides ground ambulance services. Section IV must be completed by the previous owner before the ambulance being sold provides ground ambulance services. This form MUST be submitted with your application for Life Support Vehicle License, (bhs/ems-181). **FAILURE TO DO SO WILL RESULT IN DENIAL OF YOUR APPLICATION.**

I. AMBULANCE INFORMATION			
YEAR	MAKE	STYLE	VIN
SOLD TO (Name of Life Support Agency)			DATE SOLD
II. GROUND AMBULANCE REQUIREMENTS MANUFACTURED AFTER JANUARY 1, 1982			
<p>Certification of a ground ambulance as it relates to Part 8, Rule 182:</p> <p>Subrule (2) states a ground ambulance manufactured after January 2, 1982, whose age from the date of manufacture exceeds 2 years, shall have a safety inspection by a certified mechanic before being sold to provide ground ambulance services. The inspection shall be documented on a form (See Form # BHS-EMS-316) developed by the department and shall include a notarized statement by the previous owner attesting that the ground ambulance has not been involved in a vehicular accident altering it's safety. The documents required by this subrule shall be submitted to the department by the purchaser as part of the application for licensure by the new owner.</p>			
III. NOTARIZED STATEMENT BY PREVIOUS OWNER			
<p>As previous owner of the mentioned ground ambulance I attest that the ground ambulance has not been involved in a vehicular accident altering it's safety.</p>
