General Industry Safety and Health Division
Michigan Occupational Safety and Health Administration
Department of Licensing and Regulatory Affairs (LARA)

DIVISION INSTRUCTION

DOCUMENT IDENTIFIER:
GISHD-COM-5-2R4

DATE:
January 21, 2016

SUBJECT: Tuberculosis

- I. Purpose. This instruction provides policies and procedures for conducting inspections related to occupational exposure to tuberculosis.
- II. Scope. This instruction applies to the General Industry Safety and Health Division (GISHD).
- III. References.
 - A. [MIOSHA Field Operations Manual \(FOM\)](#), as amended.
 - B. Occupational Safety and Health Administration Instruction CPL 02-02-078, June 30, 2015, [Enforcement Procedures and Scheduling for Occupational Exposure to Tuberculosis](#).
- IV. Distribution. MIOSHA Staff; OSHA Lansing Area Office; General; S-drive Accessible; MIOSHA Weekly; and Internet Accessible.
- V. Cancellations. All previous versions of this agency instruction.
- VI. History. History of previous versions include:
 - GISHD-COM-05-2R3, November 13, 2013.
 - GISHD-COM-05-2R2, May 22, 2007.
 - GISHD-COM-05-2R1, July 11, 2005.
 - GISHD-COM-05-2, July 11, 2005.
- VII. Contact. [Adrian Z. Rocskay](#), Director, General Industry Safety and Health Division.
- VIII. Originator: Adrian Z. Rocskay, Director, General Industry Safety and Health Division.
- IX. Significant Changes: The policy was changed to a straight adoption of the OSHA CPL 02-02-078 from a separate MIOSHA policy.
- X. Application. In 2015, federal OSHA issued an instruction describing enforcement policies and procedures to be followed when conducting inspections and issuing citations related to occupational exposure to tuberculosis (TB). MIOSHA adopts the federal OSHA Instruction, CPL 02-02-078, [Enforcement Procedures and Scheduling for Occupational Exposure to Tuberculosis](#).

All MIOSHA inspections and investigations for TB shall be conducted in compliance with the MIOSHA FOM, as amended. Position titles referenced in the federal instruction should be addressed with comparable levels of management within MIOSHA.
