Provider Enrollment Quick Reference

Rendering/Servicing Provider

The following Quick Reference checklist shows providers how to register for MIlogin and CHAMPS, and includes instructions to each required Provider Enrollment step. Please note, the following checklist is to walk providers through a new Provider Enrollment Application. If you are an existing provider with MIlogin and CHAMPS access please skip to page 4 and reference the column at the right.

Track Existing Application:
Providers will need to track their existing application if an enrollment application has been started but was not finished. This can be done by going to the checklist and locating, Track Existing Application. New Providers will need to follow the steps on the left. Existing Providers will need to follow the instructions on the right.

Modification:
Providers may find they need to make changes or a modification to their enrollment application after the application has been approved. This can be done by going to the checklist and locating, Manage Provider Information (Modification). Once the application has been approved Providers can follow the instructions provided.

Notes:
- All Applications must be completed and submitted for State Review within 30 calendar days of the original start date or they will be deleted.
- Within the application, required fields are marked with an asterisk (*).
- When using the Filter By feature, the percent sign (%) acts as a wildcard. It can be used in conjunction with search criteria or by itself.
- Enter Start and End Dates using format mm/dd/yyyy
- For expert assistance contact Provider Support at 1-800-292-2550 or ProviderEnrollment@michigan.gov
