JOB SPECIFICATION**

CORRECTIONS QUALIFIED MENTAL HEALTH PROFESSIONAL

JOB DESCRIPTION

Employees in this job complete a variety of assignments as a Qualified Mental Health Professional (QMHP) in providing mental health services to prisoners under the jurisdiction of the Department of Corrections. Work is performed within the guidelines of the corrections mental health program, and employees provide casework and treatment services, within the scope of their practice, to prisoners diagnosed with a mental illness or mental disability through outpatient mental health services, residential treatment programs, and inpatient treatment programs.

There are four classifications in this job.

Position Code Title - Corrections Qmhp-E

Corrections Qualified Mental Health Professional 9

This is the entry level. As a trainee, the employee carries out a range of professional mental health assignments while learning the methods of the work.

Corrections Qualified Mental Health Professional 10

This is the intermediate level. The employee performs an expanding range of professional mental health assignments in a developing capacity.

Corrections Qualified Mental Health Professional P11

This is the experienced level. The employee performs a full range of professional mental health assignments in a full-functioning capacity. Considerable independent judgment is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

Position Code Title - Corrections Qmhp-A

Corrections Qualified Mental Health Professional 12

This is the advanced level. The employee may function as a lead worker or senior worker. At this level, employees are responsible for overseeing the work assignments of other professionals or have regular assignments which have been recognized as having significantly greater complexity than those assigned at the experienced level.
