# How to Get Access to the Ethics Enterprise Link

**Note**: You must have a Third Party MiLogin account already created before using this guide. View the MiLogin Help Page for information on creating an Third Party MiLogin account.

1. Once signed in to your Third Party MiLogin account, click the **Request Access** link.

2. Type *ethics* into the "Search Application" box.

3. Select "Ethics Enterprise FN_SOM ICN - PROD" in the drop-down menu.

4. Click the **Ethics Enterprise FN_SOM ICN - PROD** link.

5. Accept the terms and conditions.
6. Provide other information.

Once your access request is processed, the Ethics Enterprise link will become available from your MiLogin Third Party home screen.
