MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION

SENIOR EXECUTIVE MEDICAL DIRECTOR

JOB DESCRIPTION

Senior Executive Medical Director positions are part of the Senior Executive Service (SES) authorized and defined by Civil Service Commission Rule 4-7. Appointments are limited to a term not to exceed two years. Incumbents may be re-appointed to additional terms. Additional conditions of employment specific to the SES are addressed in the SES rule.

Employees in this job are physician executives with responsibility for administering overall health programs for a state agency. Under executive direction, the employee develops and implements policies, procedures, and regulations of medical services and health care programs, provides clinical direction of departmental patient care activities, or provides medical advice and direction relating to public health programs and policy issues. The employee works within general methods and guidelines, and exercises extensive independent judgment in the planning, developing, implementing, and administrating of health care programs. The work requires knowledge of the policies, procedures, and regulations of various medical services. Positions in this class may manage subordinate employees.

There is one classification in this job.

Position Code Title - Senior Exec Medical Director

Senior Executive Medical Director 21

Employees in this job serve as either the Chief Medical Officer responsible for administering overall health care programs for a state agency, or as the Chief Medical Executive responsible for providing medical advice and direction relating to public health programs and policy issues.
