Senior Executive Physician Administrator positions are part of the Senior Executive Service (SES) authorized and defined by Civil Service Commission Rule 4-7. Appointments are limited to a term not to exceed two years. Incumbents may be re-appointed to additional terms. Additional conditions of employment specific to the SES are addressed in the SES rule.

Employees in this job are physicians, with responsibility for managing other physicians; medical care personnel; and/or other professional staff in custodial treatment under the jurisdiction of the Department of Corrections. The employee works within general methods and guidelines, and exercises considerable independent judgment in the planning, developing, implementing, and administering of health care programs in a custodial setting. The work requires knowledge of the policies, procedures, and regulations of various medical services, and supervisory techniques, personnel policies, and procedures.

The employee, under executive direction, develops and implements new approaches to departmental administration. The employee is required to plan and direct specific departmental activities and, in conjunction with divisional management staff, reviews and evaluates the work of program personnel to ensure conformance with general guidelines, methods, techniques, policies, and laws. Supervisory functions include approving leaves, conducting service ratings, counseling employees, disciplining employees, participating in employee grievance procedures, and the hiring and training of personnel. Due to the critical or sensitive function of the office or bureau, the employee plays an active and ongoing role in the formulation and interpretation of department or agency policy. Positions in this classification typically direct professional and nonprofessional staff in the performance of work necessary to fulfill the mission of the Department of Corrections.

There are two classifications in this job.
