

State School Aid

Sections 61a(2), 61b, 61c and 61d

Career and Technical Education (CTE) programs may be funded through federal, state or local sources. These include federal Carl D. Perkins funds ([Perkins V](#)), state school aid categorical funds, and local vocational millage funds, as well as state foundation grant funds. Funds may be used to coordinate, implement, and improve CTE state-approved programs to meet the needs identified in the region.

The State Legislature allocates additional funds in other sections of the State School Aid Act.

61a(2) Administrator Reimbursement

Reimbursement for eligible local CTE Administrators, shared time CTE Administrators, and Career Education Planning District (CEPD) CTE Administrators.

61b CTE Early Middle College and CTE Dual Enrollment

Funding to increase the number of Michigan residents with high-quality degrees or credentials, and to increase the number of students who are college and career ready upon high school graduation.

- **61b(8) Planning Grants (subset)**

Funding to plan for a new or expanded CTE Early Middle College or Dual Enrollment Program.

61c Equipment Grant

Distributes products and services to CEPDs for state-approved CTE programs throughout Michigan.

61d(1) CTE Programs Additional Payments

Additional funding to districts of \$35 per pupil in grades 9-12 that are enrolled in a CTE program and \$70 per pupil in a "high-demand field" CTE program.

For details and specific legislation of funding streams, type in "career and technical education" in the search field on the [State School Aid Act of 1979 PA 94](#) as amended by House Bill No. 4411 of 2021.
