MEMORANDUM

DATE: May 4, 2017

TO: Local and Intermediate School District Superintendents
Public School Academy Directors

FROM: Sheila Alles, Chief Deputy Superintendent 
Michigan Department of Education

SUBJECT: 2017 REMC Device Purchasing Bid Contract Notice

All public school districts, public school academies, non-public K-12 schools, pre-school buildings, intermediate school districts, and Michigan public libraries are eligible to purchase from the 2017 REMC Device Purchasing Bid Contract. This year there are 43 mobile and desktop devices along with related accessories and options available. For a spreadsheet of items available on this contract, click on [Device Purchasing Planning Spreadsheet](http://www.remcbids.org/customer/download/id/1250) (<http://www.remcbids.org/customer/download/id/1250>).

As many of you are aware, the Technology Readiness Infrastructure Grant (TRIG) incentive funds are no longer available this year. However, we still have the same great discounts as in the past. We are keeping our fingers crossed that our legislature will provide incentive funding in future years!
