New sponsors or sponsors with new directors **must** attend a full-day training session. Staff members that have not attended training in the past two years are required to participate in training this year. Sponsors are required to attend training at least once every three years. Any new staff in key positions must also attend the SFSP training. Organizations purchasing meals from a vendor may have the vendor attend the training.

This training aligns with Michigan's goal of becoming a Top 10 education state in 10 years. Goal 4, Strategy 4.1, of [MDE's Top 10 in 10 Initiative](#)ⁱ addresses integrated student support, including nutrition. The School Nutrition Programs unit offers support by assisting stakeholders in implementation of the National School Lunch Program (NSLP), including school breakfasts, lunches, and afterschool snacks.

Persons with disabilities needing reasonable accommodations for effective participation in the meeting should contact the School Nutrition Programs unit at 517-241-5374 to request mobility, visual, hearing, or other assistance. Requests for accommodations should be made two weeks prior to the scheduled training.
