-OR-

- 2) Are program concentrators (completed more than half the program – seven or more segments) and who will leave school at the end of the current school year.

What is the procedure to order assessments?

Orders are placed using NOCTI's online order process. Below are account and order details to assist with implementation.

- If your school is not a current NOCTI customer, visit the [Getting Started Section](http://www.nocti.org/GettingStarted.cfm) of the NOCTI website (<http://www.nocti.org/GettingStarted.cfm>) for account setup information.

- Orders are placed by the school's designated NOCTI Site Coordinator using the online order form at the Client Services Center. The Client Services Center is a secure, password protected site for managing a NOCTI testing program.
 - Select test code 4900.
 - A purchase order or credit card is required at the time orders are placed.
 - Schools will be invoiced for all assessments ordered. The individual school is responsible for payment to NOCTI.
 - Orders for online testing are processed in two full business days. Site Coordinators receive email confirmation when order processing is completed.
- Plan carefully when determining the number of assessments to order. NOCTI online assessments are not eligible for return. Orders are processed in two business days to assist in ensuring an accurate count of anticipated test takers prior to placing orders.

How much does the assessment cost?

The cost of the assessment is \$22.00. (online administration)

How is the assessment administered?

Assessments are administered using QuadNet™, NOCTI's online testing system. Administration must take place in a proctored environment following NOCTI's security policy and processes. The Accounting Advanced assessment can be administered in multiple sessions to assist with scheduling and participant fatigue. Session options are designated at the time orders are placed and include:

- One 3-hour session
- Two 90-minute sessions
- Three 60-minute sessions

Are practice tests available?

Study guides are available that provide a checklist for each major topic on the written test. Online sample questions provide students the opportunity to experience the online testing system features and become familiar with NOCTI's test question format.
