## **LATE CLAIM EXCEPTION OPTIONS**

If your claim is received after the final deadline date, you will receive notification regarding the following two options:

### **WITHIN YOUR CONTROL EXCEPTION**

This option may be used if the lateness of the claim or amendment submission was due to circumstances within your control. The MDE has the authority to approve and process the payment of one late claim or amendment within a thirty-six (36) month period. That approval is dependent upon receiving a corrective action plan. You would need to submit:

- Actions taken to avoid repetition of the situation linked to the late claim or amendment submission;
- Actions taken to avoid any future late claim or amendment submission;
- A statement that your organization understands that an exception can be granted only once every thirty-six (36) months for a late claim submission that is within your control. Future late claims or amendments will not be paid unless your organization has not been granted an exception during the previous thirty-six (36) month period or the lateness can be attributed to conditions outside your control; and
- The signature of the authorized official for the School Meals Program.

### **OUTSIDE OF YOUR CONTROL EXCEPTION**

This option is available if the lateness of the claim or amendment submission was beyond your control and you want to request an exception to the regulations. You would need to submit:

- A written request for an outside of your control exception;
- A detailed description of the events and circumstances that prevented the claim or amendment from being submitted on time; and
- The signature of the authorized official for the School Meals Program.

The information you submit will be reviewed by MDE. If it is determined that the submission of the late claim or amendment was due to circumstances beyond your control, your request will be forwarded to the USDA for approval. MDE does not have the authority to process this type of payment. That authority rests with the USDA regional office.

USDA regulations allow for claims to be amended at any time when the number of meals reported on the amendment results in a downward adjustment in the reimbursement value of the claim.

### **DO NOT COMBINE CLAIMS**

- 
- Submit meal counts for each month on a separate claim, regardless of how many days meals were served.
  - June and August claims will automatically be available for all sites.
  - A claim for July will be available if that month was selected on the SNP Application, Site Information screen (MEGS+).
