

# DAVID BUNN

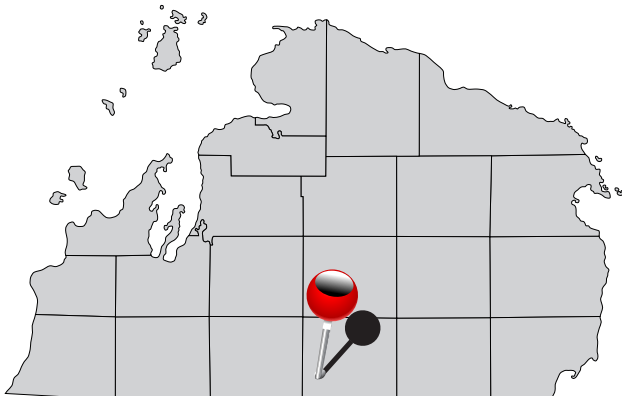

## Region 2 Teacher of the Year

HOUGHTON LAKE JUNIOR/SENIOR HIGH SCHOOL

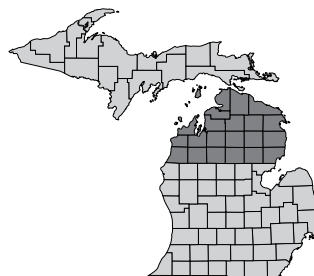

### BIO

David Bunn has taught numerous subjects in the life science and social studies fields for 19 years. He currently teaches biology and a S.T.E.M. program in which students are learning problem solving skills, engineering, coding, and CNC machinery. Throughout his career, David has participated in a multitude of diverse initiatives and organizations, including serving on the Building Leadership Team, working as a P.B.I.S. coach, and guiding staff development sessions on technology integration. In addition to his teaching roles, David has presented at the state and local level to emphasize the importance of technological integration and to increase online learning opportunities for students across districts. In addition to curricular duties, David also coached both Junior Varsity and Varsity basketball from 2001-2010 and is currently volunteering as a travel league coach for fifth- and sixth-grade girls' basketball.
