Child Care Relief Fund Application

The Child Care Relief Fund is a grant program that helps child care providers cover costs during the COVID-19 state of emergency. The goal of the program is to help child care providers stay in business and make child care more affordable for Michigan families.

For licensed providers, tribal providers, and disaster relief child care providers: Grant funds are available in April, May, and June. You must apply each month to receive funding. Grants are not competitive, meaning if you submit a complete application, and are eligible, you will receive funding.

For license exempt providers: License exempt providers are eligible for a one-time payment of \$550. Complete the application once to receive funding.

What do I need to apply?

- License or registration number (if applicable)
 - Centers have a license number. These numbers start with two letters (DC) and have nine numbers.
 - Family group homes have a license number. These numbers start with two letters (DG) and have nine numbers.
 - Family homes have a registration number. These numbers start with two letters (DF) and have nine numbers.
 - License exempt providers and some tribal providers have a provider identification number.

Grants from the Child Care Relief Fund can be used to help you cover a variety of expenses during the COVID-19 crisis including (but not limited to) rent, mortgage, utilities, payroll, insurance, and supplies.

supplies. To receive a grant, you must certify that: When I am open, I will care for children of essential workers, regardless of where their parents or caregivers work. (For example, providers may not deny children access to care because their parents or caregivers work in the health care field.) Yes The information I have reported in this transaction is true and accurate to the best of my knowledge based on available information. Yes I will keep permanent and accurate records for four years documenting the information provided in this application, when I received grant funds, and how those funds were used. Yes I will not use Child Care Relief Fund grant dollars for costs that are reimbursed or compensated by other federal or state programs that provide for such benefits, including but not limited to the Small Business Administration Paycheck Protection Program (PPP), the Public Health and Social Services Emergency Fund, or unemployment compensation. I will keep records indicating the use of each of these funds for 4 years for audit purposes. Yes I understand if the grant is overpaid for any reason, the extra benefits received will have to be

repaid. If intentional misrepresentation caused the overpayment, the responsible party (including any adult in the program group, the group's authorized representative, or the provider of goods and services) may be prosecuted for fraud.
