

Career Pathways Project Competitive Grant 2021-2022

Collaborative partnerships must include:

- At least one secondary Perkins V eligible recipient (region) and at least one postsecondary Perkins eligible institution. Preference will be given to applications that include collaboration between more than one Perkins region and/or more than one postsecondary institution.
 - Employers, employer organizations, and labor organizations from each area of the state to identify credentials based on identified standards. Areas of the state from which employers must be included are: Southeast, Southwest, Central, Upper Lower Peninsula, and Upper Peninsula of Michigan.
-
