[Apprenticeship Programs and the Michigan Apprenticeship Steering Committee, Inc.](#) (MASCI) www.masci.org

MASCI is Michigan's resource organization to help individuals explore and gain entry to apprenticeship opportunities. In their own words, they are "an advocacy group made up of professionals from the education industry, manufacturing sector, construction trades and governmental departments of Michigan. MASCI's objective is to educate Michigan's workforce and employer groups on the benefits of participation in Registered Apprenticeship."

[Michigan Virtual® for Professionals](https://michiganvirtual.org/professionals/) <https://michiganvirtual.org/professionals/>

The LearnPort web-based professional development delivery system was created in partnership with MVU and the MDE. School employees are provided up-to-date and flexible online professional development to help meet personal and district learning requirements. LearnPort® provides high quality courses and content through a full set of web-based communication tools and offers full professional development record-keeping capabilities.

LearnPort® is also increasingly being used as a peer-to-peer communication and best-practice sharing site by secondary CTE educators and administrators and their postsecondary partners statewide. Log on and create your own account to become part of this real-time, online community of educators. LearnPort® offers quick mini-tutorials to help users get the most out of this exciting website, making navigation an easy and rewarding experience.
