SUBJECT: BULLETIN 1022 – CHANGE NOTICE #27

The purpose of this correspondence is to transmit Michigan Public School Accounting Manual Change Notice 27.

The following attachment gives the detail for pages in the manual that have been changed. You may print those pages from our website. Please communicate these changes to others in your district that may be in possession of the Michigan Public School Accounting Manual to ensure that all school district accounting manuals remain current. The entire manual along with this change notice is also available electronically on the [Michigan Public School Accounting Manual](#) page of our website. The publishing of accurate and up-to-date financial accounting guidance will help Michigan achieve its goal of becoming a top ten education state in the next ten years by supporting strategy 4.3, to “provide and promote evidence-based best practices to create efficiencies at the local administrative level to focus more resources in the classroom.”

The Michigan Public School Accounting Manual contains the state prescribed chart of accounts to be used by all public school districts in Michigan. According to the Revised School Code, Section 380.1281:

- 1) The Department shall:
