

CHILD DEVELOPMENT AND CARE (CDC) REIMBURSEMENT RATES

FAMILY CONTRIBUTION

The family contribution is the bi-weekly flat rate that is deducted from the parent's subsidy per child, per pay period to determine the amount that the provider receives. To find family contribution amounts please review the [Flat Rate Family Contribution Income Eligibility Scale](#).

- The parent is responsible for payment of all amounts not paid by the Department, including if the provider charges a higher rate than the Department's rates.
- The provider is responsible for collecting any child care charges not covered by the Department from the parent.

The CDC program pays higher reimbursement rates to licensed child care centers and group/family homes with a 2, 3, 4, or 5 Star rating in Great Start to Quality. Additionally, there is no family contribution deducted from the payment for all children attending a 3, 4, or 5 Star rated facility.
