SUBJECT: TRIG Device Purchasing Personal Purchase Program – Now Available

The Michigan Department of Education, Office of Education Improvement and Innovation would like to announce a very unique opportunity through the Technology Readiness Infrastructure Grant (TRIG) - Device Purchasing Statewide Activity. As a value add, several of the awarded vendors on the 2016 TRIG Device Purchasing Bid are offering discounts to TRIG participating district's staff, students, and families on computers and accessories purchased for **personal** use!

Below is a link to an electronic flyer for distribution by TRIG participating districts to share with staff, students, and families. We encourage districts to spread the word about this amazing opportunity.
