SUBJECT: U.S. Department of Education Green Ribbon Schools (ED-GRS)
Application

Michigan's application for the U.S. Department of Education Green Ribbon Schools (ED-GRS) recognition program is now open. The aim of [U.S. Department of Education Green Ribbon Schools](#) (ED-GRS) is to inspire education institutions to strive for 21st century excellence by highlighting promising practices and resources that all can employ. To that end, the award recognizes those entities that:

- Reduce environmental impact and costs;
- Improve the health and wellness of schools, students, and staff; and
- Provide effective environmental and sustainability education.

Combined progress in ALL three of these areas, known as Pillars, serves as the basis for recognition. ED-GRS aligns with the Department's cross-cutting goals for education, including improving student, staff, and facility performance and increasing efficiency at federal, state, and local levels. It is part of a U.S. Department of Education (ED) effort to identify and communicate practices that result in improved student engagement, academic achievement, graduation rates, and workforce preparedness.

More information and application can be found on the [Michigan ED-GRS website](#).
