- If your district applied and received a grant award in 2015-2016, the application does not need to be filled out in its entirety. Please complete Section 1 only to continue to receive funding in 2016-2017. Per pupil funding for 2016-2017 is based on the number of eligible first graders determined by end of school year 2015-2016 count so the grant award amount may vary from your previous award.
- Literacy Coaches
 - Section 35a(4) of the FY 2016 State School Aid Act provides \$3,000,000 for early literacy coaches at Intermediate School Districts (ISD) to assist teachers in developing and implementing instructional strategies for pupils in grades K-3 so that pupils are reading at grade level by the end of grade 3. Each ISD in the state is eligible for 50 percent funding of this position from the MDE in the amount of \$37,500.
 - If your district applied and received a grant award in 2015-2016, the application does not need to be filled out in its entirety. Please complete Section 1 only to continue to receive funding in 2016-2017.
