MEDIATION

The Michigan Department of Education (MDE) encourages parents and districts to resolve disputes through information dispute resolution processes, including mediation.

Mediation is a voluntary process. A trained, impartial mediator assists the parties in reaching a mutually acceptable resolution of the dispute between the parties. Mediators are not affiliated with any local school district nor do they represent any of the parties in a complaint. Discussions during mediation are confidential.

MDE provides mediation services at no cost to the complainant or the district if they use Special Education Mediation Services (SEMS). SEMS is funded by an MDE grant.

If you are interested in resolving a complaint through mediation or informal resolution, MDE will, with your consent, forward your name and telephone number to SEMS. SEMS will contact you to tell you more about mediation and other alternative dispute resolution options. If you choose to participate in mediation, SEMS will contact the district to determine if the district agrees to participate in mediation. If so, SEMS will make the arrangements and schedule the mediation meeting(s).

If you and the district agree to participate in mediation after a due process complaint has been filed, the hearing timeline may be extended until the mediation process is completed. If the issue is resolved through mediation, the complaint will be withdrawn or dismissed. If the issue is not resolved, MDE will proceed with the due process hearing.

For more information about mediation and informal dispute resolution, see MDE Special Education Due Process Complaint Procedures or contact SEMS at 833-KIDS1ST (833-543-7178) or the [SEMS website](http://MiKids1st.org.org) (<http://MiKids1st.org.org>).

Please provide the information below and sign your name if you want SEMS to contact you to tell you about mediation and other informal dispute resolution options.
