Section 31a Main Contacts

FROM: Linda Forward *Linda Forward*
Interim Deputy Superintendent, Education Services

Venessa A. Keesler, Ph.D. *Venessa*
Deputy Superintendent, Accountability Services, Education Services

SUBJECT: 2015-16 Estimated Allocations

Estimated allocations for 2015-16 have been loaded in the Consolidated Application in the Michigan Electronic Grants System *Plus* (MEGS+) and are posted on the Office of Field Services (OFS) website at www.michigan.gov/ofs under "Tools & Resources, Program Allocations" for the following programs:

- Title I, Part A – Improving Basic Programs
- Title I, Part C – Education of Migratory Children (Regular School year)
- Title II, Part A – Teacher and Principal Training and Recruiting
- Title III, Part A – Limited English Proficient (LEP)

These are conservative estimates. Please note that the Federal allocations to Michigan may be down substantially. For example, the Michigan Title I, Part A preliminary allocation for all Local Educational Agencies (LEAs) is approximately \$24 million less than last year. **LEAs should budget very conservatively as it is likely that final allocations to LEAs will be less than received in 2014-15.**

For additional information related to completing the applications, please refer to the following link http://www.michigan.gov/documents/mde/2015-16_Estimated_AllocationsTISS_Consolidated_Application_in_MEGS+_488476_7.pdf.
