Mrs. Smith is very special person to me. She is very special to me, if she was not a teacher, I would not be in this classroom. Mrs. Smith teaches me things I don’t know.

When I am stuck on something, she help me. She is a super teacher. If I get a cut and it is just a little cut like a paper cut, she will put a bandage on it. That makes me feel better. If she didn’t do that, all kinds of bacteria would get in it.

When, we get done doing a lot of work Mrs. Smith sometimes reads to us. She reads very loud and clear. She also reads very good books. She puts Brain Stretchers up on the board for me to think about.

Sometimes they are kind of hard, but sometimes they are kind of easy. Everyday she takes us out to recess. But, if it is rainning, we play inside. We like it when she takes us out to recess. She gives me work. I also like to do the work she gives me. She is allmost like another mom to me. She takes her time and does things with us. She does lots of activities with us.
