Student Writing Sample #2

Dear Suzy,

Fourth grade is fun. It is not as hard as you probably think, but it is harder than third grade.

One of my favorite things is foreign language. You can either take Spanish or French. Both teachers are nice. I take French.

For homework on Monday we have math handwriting and reading. On Tuesday, we have reading spelling and handwriting. On Wednesday, we have math and reading. On Thursday, we have the same homework as Tuesday. We don't have homework on Friday.

We have to do states tests. We learn abbreviations, capitals and nicknames. We also do state reports. You can chose your own state. I had to find information on the state of Texas.

We study inventors. You can also choose your partners and inventors. I was with Cathy and Mark we chose Thomas Edison and Alexander Bell.

We make our own inventions. They have special uses. I made a page holder. It makes it easy to hold pages.

We study Pioneer days.

Every afternoon you do your journal.
