Student Writing Sample #3

My dad’s van looked really dirty, so I thought I’d lend a hand. I get a bucket, some soap, a towel, the hose, a sponge, and a brush for the tires. Then I started working.

It was hard labor and it took a long time. I connected the hose to the faucet added the spray tip to the end, and turned it on full blast. I had to rinse the car, but this part didn't take long. Next I had to scrubbed the van with soap. The whole time I was doing this, I thought about my dad and how I was helping him out.

When I was completely done it made me feel really good inside. My dad came outside and saw it. He was amazed and proud. (That’s what he told me.)
