

## **IMPORTANT INFORMATION ABOUT THE 2020-2021 SECTION 32p(4) HOME VISITATION GRANTS**

The 2020-2021 Section 32p(4) Home Visitation Grants application MUST be submitted in the Michigan Electronics Grant System Plus (MEGS+) no later than September 15, 2020.

### **INTRODUCTION/PURPOSE**

The Section 32p(4) Home Visitation Grants are supported through Public Act 165 of 2020 under section 32p(4). Funds are allocated to intermediate school districts (ISDs) as fiduciaries of their Great Start Collaborative (GSC) or consortia of GSCs. Grantees are expected to implement home visitation services as part of a locally coordinated, family-centered, evidence-based, data-driven home visiting strategic plan. The goals of this funding are to improve school readiness including a focus on developmentally appropriate outcomes for early literacy, to improve positive parenting practices, and to improve family economic self-sufficiency while reducing the impact of high-risk factors through community resources and referrals. A home visiting program model that exhibits evidence in achieving improved school readiness must be selected.

The purpose of these grants is to contribute to Michigan's implementation of home visiting programs to families and their children birth through age eight who are experiencing factors that place the children at risk of not achieving success in school. The home visiting programs funded are expected to improve school readiness including a focus on developmentally appropriate outcomes for early literacy, to improve positive parenting practices, and to improve family economic self-sufficiency while reducing the impact of high-risk factors through community resources and referrals.

### **ELIGIBLE APPLICANTS/TARGET POPULATION TO BE SERVED BY GRANT**

ISDs or consortia of ISDs, as fiscal agents, are eligible applicants on behalf of their GSC(s). The locally coordinated, family-centered, evidence-based, data-driven home visit strategic plan, created as part of the application process by the GSC, will identify the most suitable home visit programs to serve at-risk children and their families, in addition to sub-set target populations based on community level needs and gaps, in accordance with the statute. To impact school readiness, the criteria for this grant that were approved by the State Board of Education focuses the funds on serving families prenatally through kindergarten entry.

## **SERVICE AREA**

There are instances where the GSC and ISD do not have identical boundaries, and that the county or counties that are served may have yet different boundaries.
