

Michigan-Provided Fall 2020 Testing

Information in this presentation updated as of July 30, 2020 is highlighted using orange text.

Information in this presentation updated as of September 11, 2020 is highlighted using purple text.

Session Goals

- Our goal today is to share the latest information about the Michigan-provided fall assessments. Information about Spring 2021 testing will be shared later this fall.
- College Board and the Michigan Department of Education (MDE) will continue to finalize implementation details, and as more information becomes available, we will share through www.michigan.gov/psat, www.michigan.gov/mme, and Spotlight on Student Assessment and Accountability online newsletter.

Today we will provide an overview of:

- Important dates
- School and student eligibility
- Ordering in the College Board test ordering site (TOS)
- Key differences between Fall 2020 and Spring 2021 testing
- Accommodations and supports available for Fall 2020 testing

General Information

Fall Testing Options

Updated July 30, 2020

**Updated September 11,
2020**

- The health and safety of educators and students is our first concern; therefore, College Board announced changes to policies and procedures to fall testing on July 30.
- Changes announced include:
 - Updated makeup test dates
 - Using the alternate date for PSAT/NMSQT
 - Off-site testing
- Information about these changes impact Michigan schools can be found in the August 6 Spotlight on Student Assessment and Accountability Online Newsletter.
- Michigan will also support a winter PSAT/NMSQT administration on January 26 to eligible 10th and 11th grade students who were not able to test on either October 14 or October 29.

Fall 2020 Testing

The Michigan Department of Education is providing a Fall 2020 administration of:

- SAT® with Essay for students entering the 12th grade in Fall 2020
- PSAT/NMSQT® for students entering the 11th and 10th grades in Fall 2020
 - The PSAT™ 10 and the PSAT/NMSQT are the same test but are offered at different times of the year.
 - The PSAT/NMSQT is offered only in the fall while PSAT 10 is only offered in the spring.
- PSAT™ 8/9 for students entering 9th grade in Fall 2020
- Results of fall testing will not be used for any accountability reporting.
 - The purpose of a fall administration is to offer the opportunity to students to take the assessments due to the cancellation of April testing.
- All schools that were established to participate in College Board assessments in Spring 2020 are expected to administer the assessments in the fall.
 - If your school has a new grade configuration for the 2020-21 school year and will have eligible students for fall but you were not established for Spring 2020, contact MDE at MDE-OEAA@Michigan.gov by July 1.
- Schools are required to order test materials directly through the College Board test ordering site.
- Pre-ID labels are not available for the fall Michigan-provided assessments. Students will bubble in required information on their answer sheet.

Fall 2020 SAT with Essay for Grade 12

Updated July 30, 2020

- Schools have the option of choosing a primary test day in September and/or October.

	September 2020	October 2020
Primary Test Date	September 23	October 14
Accommodated Testing Window	September 23 – October 6	October 14 – October 27
Makeup Test Date	October 27	October 27

- Schools may use all 3 dates to flexibly schedule students to test. Orders must be placed separately for each test date.
- Public and nonpublic schools are eligible to participate in the fall administrations if they were established to participate in the SAT with Essay in Spring 2020.
- Students must be in 12th grade to participate.
- The Essay is required.
- This is a paper/pencil assessment.
- Test books must be returned after testing.

Fall 2020 PSAT/NMSQT for Grades 11 and 10

Updated July 30, 2020

Updated September 11,
2020

- Schools can administer the PSAT/NMSQT on either October 14 and/or October 29 and/or January 26.
 - College Board also offers a Saturday administration; however, the Saturday, October 17 test date is not part of the MDE-provided administrations.
- Scores for 11th graders taking the PSAT/NMSQT are considered for the National Merit® Scholarship Program.
 - Due to the participation in the scholarship program, there are policy differences between the PSAT/NMSQT and other fall assessments. Carefully read all Coordinator Manuals.
- All 10th and 11th grade students can be flexibly scheduled on any test date. Schools will be able to order for both October dates beginning in August. Schools will be able to order for January in early October.
- There is no accommodated window for PSAT/NMSQT.
- Public and nonpublic schools are eligible to participate in the fall or winter administrations if they were established to participate in the PSAT 10 or SAT with Essay in Spring 2020.
- Students must be in 10th or 11th grades to participate.
- 10th and 11th graders may be tested together in the same room.
- This is a paper/pencil assessment.
- Test books for the Michigan-provided dates (Oct 14 and 29) may be stored securely and distributed to students once scores are released. January 26 test books must be returned.

Fall 2020 PSAT 8/9 for Grade 9

Updated July 30, 2020

- Schools can choose one date between September 21-**October 29** to administer the PSAT 8/9 to their 9th graders.
 - Note that the PSAT 8/9 testing window extends until March; however, MDE-provided testing must occur between September 21-**October 29**, 2020.
- From the school's chosen date, the school has 2 weeks to administer any testing.
- Public and nonpublic schools are eligible to participate in the fall administration if they were established to participate in the PSAT 8/9 in Spring 2020.
- Students must be in 9th grade to participate and be paid for by MDE.
- Test books may be stored securely and distributed to students once scores are released.
- Digital testing is offered for Fall 2020
 - College Board digital testing does **not** use the DRC INSIGHT portal
 - Information about digital testing can be found at <https://digitaltesting.collegeboard.org>
 - Digital testing will not be offered for the Michigan-provided spring assessments.

Michigan-Provided Fall 2020 vs. Spring 2021 Administrations

Fall vs. Spring

- Due to the nature of fall testing and the fact that results will not be used for accountability, the typical MDE requirements for spring testing will not occur in fall.
- For a full list of differences between fall and spring testing, visit www.Michigan.gov/mme or www.Michigan.gov/psat
- Key differences of systems being used include:

	Fall 2020	Spring 2021
OEAASecure Site	Will not be used	Required: <ul style="list-style-type: none"> • Verify establishment for testing • Pre-ID students • Additional material order window • Answer document verification
Educational Entity Master (EEM)	Will not be used	Required: <ul style="list-style-type: none"> • Identify test staff and school address
College Board Test Ordering Site (TOS)	Required: <ul style="list-style-type: none"> • Identify test staff and verify school address • Order standard and accommodated test materials • Tracking information 	Will not be used
SSD Online	Required: <ul style="list-style-type: none"> • SAT with Essay • PSAT/NMSQT 	Required: <ul style="list-style-type: none"> • SAT with Essay • PSAT 10 • PSAT 8/9

Accommodations and English Learner (EL) Supports

Accommodations

- Students with College Board-approved accommodations from Spring 2020 will have those same accommodations already approved for fall testing.
 - Confirm that these accommodations are still accurate and needed by the student.
- Accommodations for PSAT 8/9 in the fall are locally determined based on the student's IEP or 504 and do not need to be entered in SSD Online.
 - They **must** be entered for Spring 2021 testing.
- State-allowed accommodations (SAAs) are not available for fall testing.
 - Students who would have used EL-Math only, for example, should be offered the opportunity to test without this accommodation.
 - For last year's 8th graders, who had SAAs for Spring 2020 testing, no action is required for the fall PSAT 8/9 other than ordering the necessary accommodated materials.
- Schools will order the applicable accommodated formats in the College Board test ordering site.

Important Notes about Accommodations

Updated July 30, 2020

**Updated September 11,
2020**

- There is no accommodated testing window for PSAT/NMSQT.
 - Students approved for an accommodation that allows for testing over 2 days must test on either October 14-15 or **October 29-30** or **January 26-27**, depending on your school's chosen test day.
 - If a student misses one of the 2 days of testing, they cannot test on another day and will not receive a score.
- Some accommodations will be administered differently in fall than in the spring.
 - For example: 100% extended time on the PSAT 10 tests over 2 days while 100% extended time on the PSAT/NMSQT completes testing in 1 day.
 - A lunch break is available for students with some accommodations taking the PSAT/NMSQT or PSAT 8/9 in the fall.
 - Be sure to closely read the appropriate Coordinator Manuals for administering the fall assessments with accommodations.

English Learner Supports

Scores will be college and scholarship reportable

EL Supports
are not
currently
available for
PSAT/NMSQT

Students can use translated test directions and/or approved word-for-word bilingual glossaries without prior approval.

- Translated test directions for designated languages are in PDF format and must be printed by the school ahead of test day.
 - Albanian, Arabic, Bengali, Chinese (Mandarin), French, Gujarati, Haitian Creole, Hindi, Polish, Portuguese, Russian, Spanish, Urdu, Vietnamese
- Translated test directions can be provided orally by an approved translator to the student in languages not available in PDF format.

English learners can be provided with 50% extended time.

- Although not an accommodation, students must be identified in SSD Online for SAT with Essay (not required for PSAT 8/9).
- Students will be automatically-approved and no documentation will be required.
- Requests must be re-entered in SSD Online if the student was approved for Spring 2020.
 - Re-entry for Spring 2021 testing will likely be required, but more information will be provided at a later date.

Criteria for determining who may benefit from EL supports can be found in the Supports & Accommodations Guidance Document posted on the MDE website.

(https://www.michigan.gov/documents/mde/Michigan_Accommodations_Manual.final_480016_7.pdf)

Ordering Test Materials

College Board Test Ordering Site (TOS)

Using TOS

- Ordering test materials in the College Board test ordering site for the fall administrations of the SAT with Essay, PSAT/NMSQT, and PSAT 8/9 is **required**.
- **Do not place orders for the Spring 2021 assessments in the test ordering site.**
- Orders must be placed separately for each assessment and can be placed at different times by different people.
 - Example: SAT test coordinator can submit the order for SAT with Essay materials while the principal orders for PSAT/NMSQT and PSAT 8/9.
- Schools should be placing orders at the school-level, not districts.
 - If district-level personnel have access to TOS, they can monitor orders in TOS.
- Overage of materials are not sent in fall like they are for spring.
 - Orders are rounded to the nearest bundle of 5.
 - If you need 96 tests, you will receive 100.
 - Therefore, you might want to order some extra books to account for new students.

Obtaining Access to TOS

- You will first need a College Board Professional Account.
 - Go to www.collegeboard.org and sign up for one if you do not currently have an account.
- Once you login to your account, you will have access to your **My Tools and Services** Dashboard.
 - Dashboards will look different based on the tools and services one has access to.
- You have access to TOS if you have **Test Ordering** listed on your Dashboard.

Obtaining Access to TOS

- A one-time access code is required.
- Obtain the access code from the June 9 email sent to principals and test coordinators.
 - If you did not receive or do not have access to the email, contact the Michigan Educator Hotline at 866-870-3127.
- Identify your professional organization and include the access code. Then click **Add**.
 - Make sure to use the professional organization name exactly as listed from the access code email.
- Return to your Dashboard and you should now see **Test Ordering** as an option.

HIGH SCHOOL

We hope you're safe and healthy during this challenging time. Given COVID-19, no action is required from you to generate an invoice and the College Board will send you a final invoice. Your school will not be charged for any unused test fees and the College Board will apply your full fee reduction request if applicable. If you did not send back answer sheets for scoring, your school will not be charged.

Welcome

Welcome to the ordering tool for SAT[®] School Day, PSAT/NMSQT[®], PSAT[™]10, and PSAT[™]8/9.

Your scheduled administrations are listed below, where you can view important messages, review quantities, and update orders.

To set up a new exam or new test date, click the Add New Administration button.

You may also [search for other schools](#) that are planning to administer PSAT/NMSQT[®], PSAT[™]10, and PSAT[™]8/9 exams to help students that are looking for locations to take an exam.

Add New Administration

Choose an Administration

To confirm that MDE will be paying for the **fall** assessments, you should see *Covered by Contract* listed next to the assessment name. PSAT 10 is not listed as Covered by Contract because this is a Spring 2021 assessment that will not be ordered through TOS.

This coverage is based on Spring 2020 establishment; therefore, each school may not see all 3 assessments as *Covered by Contract*.

If you feel that the *Covered by Contract* indication is incorrect, contact the Michigan Educator Hotline at 866-870-3127 ASAP.

Choose an Administration

Choosing the best for your students

- The **SAT®** is available in October for 12th graders or March and April for 11th and 12th graders.

Verify Student Guides and Standard Testing Manuals

- The number of Student Guides and Standard Testing Manuals will automatically be calculated based on the number of standard test books entered.
- Edit counts, as needed.

Student Guides

The SAT School Day Student Guide is provided free of charge to all test-takers and includes test regulations and valuable information to help students prepare.

Grade	Recommended Quantity	Current Order
All	120	<input type="text" value="120"/>

Standard Testing Manual

The Standard Testing Manual provides detailed procedures to follow before, during, and after the SAT School Day administration. Includes standard test-day script. We'll send you 1 copy for every 20 test books you order, with a minimum of 1.

Grade	Recommended Quantity	Current Order
All	6	<input type="text" value="6"/>

Select Students Testing with Accommodations

- Each student with an approved accommodation in SSD Online will be listed.
 - You will not be able to order accommodated materials for students in the pending status in SSD Online.
- Click on the name of each student testing and select **SAT with Essay** for each student.

Ordering Accommodated Tests (step 1 of 2)

Ordering tests for students with SSD accommodations and EL Extended Time is a two-step process. On this page, click the name of each student you are planning to test and the test type: SAT or SAT w/Essay. On the next page, your order form will be filled out with the test formats needed for those students.

The list below contains students whose SSD accommodation and EL Extended Time requests have been approved. Note that it doesn't include students whose requests are still pending. You can choose to wait to place your order until all of your students are approved, or you can return multiple times to place supplemental orders if you have students with late approvals.

[EL Supports](#) like translated directions and the use of word-to-word glossaries do not require approval or special test formats.

If you do not see students listed below and you are sure they have approved testing accommodations, contact the School Day Support Line at 855-373-6387, Option 1, for assistance with placing your order.

Your school's SSD coordinator: Albert Einstein

Select the students you are planning to test:

<input type="checkbox"/> Select All	<input type="radio"/> All SAT (without essay)	<input type="radio"/> All SAT w/Essay	Filter by Grade ▼

OPTIONAL: Request Fee Reduction Benefits

If you choose this option, you will complete the process in TOS after testing

- Identifying the number of students eligible for fee reduction benefits (fee waivers) is a way to deliver benefits to students such as 2 free weekend SATs, unlimited score reports, and more.
- Michigan schools already received fee waiver codes for students in the K-12 reporting portal in March 2020 to provide to eligible Class of 2021 students.
 - If you already distributed those codes to students, this step is optional.
 - Those codes are still valid if you would rather distribute those.
 - More fee waiver codes will be available in Spring 2021 for the Class of 2022.
 - For more information on the fee waiver codes that were provided, access the March 12 email sent to test coordinators from College Board titled, *Access SAT School Day Fee Waiver Benefits for Your Eligible Students*

SAT Fee Reduction Benefits

SAT School Day Fee Reductions are available to low-income juniors (spring admins) and seniors (fall admins) participating in SAT School Day. Students who are identified as eligible for Fee Reductions also qualify for their full set of SAT fee waiver benefits, which include 2 free SAT registrations for weekend administrations, unlimited score reports to send to colleges, and as many College Applications Fee Waivers students need. See more on benefits and eligibility [here](#). The reduced fee for the SAT (without essay) is \$8 per test and \$15 per test for the SAT with Essay.

IMPORTANT NOTE: You must return here after test day to determine which students are qualified for Fee Reduction Benefits.

Items	11th	12th
Number of tests ordered	0	147
Fee reduction benefits redeemed last year	0	0
Fee Reduction Benefits allocated this year	0	19

Ordering PSAT/NMSQT Test Materials

Differences

- The process for PSAT/NMSQT and PSAT 8/9 materials is similar to ordering SAT with Essay.
- The biggest differences to review are:
 - Choosing test dates
 - Ordering accommodated tests

Choosing PSAT/NMSQT Test Date

Updated July 30, 2020

Updated September 11, 2020

- The default PSAT/NMSQT date is October 14. If you plan to use **October 29** or **January 26**, select **Have a conflict?** to select an alternative date.
 - Reminder: MDE is not providing the Saturday test date
 - **You will not be able to order for both October dates until August.** You will not be able to order for January until early October.
- Order by August 12 and select the box under Pre-Admin to receive answer

SAT School Day (Paper and Pencil) ✓

Order Accommodated Test Books

Order accommodated materials for students who need:

- Large Print – 14 pt
- Large Print – 20 pt
- Braille
- Braille Graphs & Figures
- MP3 Audio
- Reader Script
- Large Block Answer Sheet
- Assistive-Technology Compatible (ATC) Format

Students with other accommodations will just use a standard test book and should be included in the standard test book counts.

- For PSAT/NMSQT, the number of students approved in SSD Online for certain accommodated materials is listed.
- A box will appear by clicking on the number below the number of students approved.
 - Example: For the two 10th graders that are approved for 14 pt large print, indicate how many of these students will test.

Accommodated PSAT/NMSQT® Tests

September 16, 2020

Deadline to decrease accommodated orders

September 16, 2020

Deadline to increase accommodated orders

Speak with your school's SSD coordinator (Tosallai Data) to determine which students will test with accommodations and need accommodated test materials such as a large print test or large-block answer sheet. To receive the full benefit of PSAT/NMSQT, students should use the test formats that best match the accommodations they currently use to complete school-work or take state tests and that meet College Board SSD guidelines.

Important note: Be sure to order standard tests (on the previous screen) for students who don't need an alternate test format. Students who need only extended time, extra breaks, or other accommodations such as using a large block answer sheet or recording their answers in the test book will use a standard test book. Test day instructions and scripts for students testing with 50% and 100% extended time are included in the Coordinator Manual.

For questions about ordering accommodated materials for PSAT/NMSQT, call SSD at 844-255-7728.

OPTIONAL: Fee Waivers

- Identifying the number of students eligible for fee waivers is a way to deliver benefits to students such as 2 free weekend SATs, unlimited score reports, and more.
- Michigan schools will receive fee waiver codes for students in the K-12 reporting portal in March 2021 to provide to eligible Class of 2022 students.
 - You can either provide those codes when they become available or use this process in TOS.

Fee Waivers for 11th-Grade Students

The College Board offers PSAT/NMSQT® Fee Waivers for eligible 11th grade students. Requests received after will be reviewed on a first-come, first-served basis. Find out [who is eligible](#).

IMPORTANT NOTE: You must return here after test day to select students who qualify for PSAT/NMSQT Fee Waivers.

Ordering PSAT 8/9 Test Materials

Choosing PSAT 8/9 Test Date

Schools can choose the Digital PSAT 8/9, if desired.

- NOTE: College Board does not use DRC INSIGHT as the test delivery platform.

Updated July 30, 2020

- Identify the date you will administer the PSAT 8/9 (MDE authorized dates must be between September 21 and **October 29**).
- This date will help determine when test materials are shipped to you.
- Order by August 12 and select the box before Pre-Admin to receive answer sheets and manuals early.

The screenshot shows a vertical list of test options with expandable sections. The 'PSAT™ 8/9 (Paper and Pencil)' option is expanded, revealing a date selection field with '09/21/2020' entered, a 'Pre-Admin' section with an unchecked checkbox, and a list of authorized dates: 'September 2020 - January 2021 | Up to 14 orders allowed', 'February 2021 - March 2021 | One order allowed', and 'April 2021 | One order allowed'. Other options include 'SAT School Day (Paper and Pencil)', 'PSAT/NMSQT® (Paper and Pencil)', and 'PSAT™ 10 (Paper and Pencil)'. A 'Digital PSAT™ 8/9' option is visible at the bottom.

Order Standard Test Books

Only order for 9th graders. Schools will be billed for other grades, if ordered.

Schools should order test materials at least 4 weeks prior to their testing week; see ordering deadlines.

9/14/20
Test material delivery date

Standard Test Books

Pricing: The test fee for the 2020-21 school year is \$13.00. There is a \$4.00 fee for each unused test book exceeding 20% of the total number ordered.

Order Accommodated Test Books

Order accommodated materials for students who need:

- Large Print – 14 pt
- Large Print – 20 pt
- Braille
- Braille Graphs & Figures
- MP3 Audio
- Reader Script
- Large Block Answer Sheet
- Assistive-Technology Compatible (ATC) Format

- Since accommodations for fall PSAT 8/9 are not in SSD Online, schools can just order the materials they need.
- If a student has an accommodation or support other than those listed (example: extended time), they will use a standard test book.
 - This includes English Learners using 50% extended time.
 - Include these students in counts in the standard test book orders.

Accommodated PSAT™ 8/9 Tests

 Schools should order test materials at least 4 weeks prior to their testing week; see ordering deadlines.  9/14/20 Test material delivery date

Speak with your school's SSD coordinator (Tosallai Data) to determine which students will test with accommodations and need accommodated test materials such as Large Print test or large block answer sheet. To receive the full benefit of PSAT™ 8/9, students should use the test formats that best match the accommodations they currently use to complete schoolwork or take state tests and that meet College Board SSD guidelines.

The College Board Services for Students with Disabilities (SSD) office does not review requests for testing accommodations for the PSAT 8/9. However, students may not use accommodations on other College Board tests (including, but not limited to, the PSAT/NMSQT®, PSAT™ 10, SAT®, and Advanced Placement® (AP®) Exams) without prior SSD approval.

English Language (EL) Supports, such as translated directions and the use of word-to-word glossaries, don't require approval or special test formats.

Important note: Be sure to order standard tests (on the previous screen) for students who don't need an alternate test format. Students including English Learners who need only extended time, extra breaks, or other accommodations such as using a large block answer sheet or recording their answers in the test book will use a standard test book. Test day instructions and scripts for students testing with 50% and 100% extended time are included in the Coordinator Manual.

For questions about ordering accommodated materials for PSAT 8/9, call 855-373-6387.

Pre-ID Labels

- When ordering PSAT/NMSQT and PSAT 8/9, after submitting the order, educators will be asked if you want to order Bulk Registration Labels.
- Labels are **not** available for the Michigan-provided assessments.
- The functionality of this selection is not configured.
 - If you select that you want them, nothing will happen (even if your school wants to pay for it).
 - You won't be charged, and you won't be able to submit a file to receive labels.

Items	Price
 <p>Bulk Registration Labels Save time on test day and ensure data accuracy with bulk registration labels. Organizations participating in bulk registration submit student information online prior to test day and receive printed labels to affix to test answer sheets. This saves time because students have fewer bubbles to fill in. Schools that choose to participate will receive more information and instructions in mid-August.</p> <p>Note: Bulk registration is available by default to districts with contracts; however, participation is at the district's discretion.</p>	\$100.00

Modifying and Tracking Orders

Modifying and Tracking Orders

- All orders can be updated anytime prior to the ordering deadline (see Fall 2020 List of Important Dates for deadlines).
 - Once the ordering deadline passes, they cannot be cancelled, and materials will be shipped.
- If orders are not placed by the ordering deadline, contact 866-870-3127 as soon as possible to determine if an order can be placed.
- Shipping status can be found in TOS.

Ordering SAT with Essay Makeup Materials

Ordering SAT with Essay Makeup Materials

Updated July 30, 2020

- For SAT with Essay, coordinators must order applicable makeup tests for students for the **October 27** test date in TOS.
- Coordinators must complete this activity within 2 days of the primary test date in order get to makeup materials shipped.
 - September testing: Request from September 23-25
 - October testing: Request October 14-16
- This will not occur for PSAT/NMSQT or PSAT 8/9, as there is no makeup.

The screenshot shows the 'SAT School Day' interface. At the top right, there is a link for 'View Order Details'. Below this, a grey box displays the 'Primary Date: Wed., Sept 23, 2020' and 'Makeup Date: Wed., Oct 27, 2020'. To the right of this box are two blue buttons: 'Enter Invoice Information' and 'Order Makeup Tests'. The 'Order Makeup Tests' button is highlighted with a red border. Below the date information, a red prohibition icon is followed by the text 'The test date has passed.' Below this message is a grey rectangular area.

After Test Day

Returning Materials

Updated July 30, 2020

**Updated September 11,
2020**

- Test books for the PSAT/NMSQT (Oct 14 and Oct 29 test dates) and PSAT 8/9 do not need to be returned to College Board.
 - These can be securely stored and returned to students when scores are released.
 - Question and answer choices for these assessments will be available in the K-12 reporting portal.
- Return all SAT with Essay test books and January 26 PSAT/NMSQT test books.
- Return answer sheets no later than the day after testing is complete.
 - Coordinator manuals will include instructions on how to schedule a UPS pickup.

Invoicing Process

- After testing is complete, the invoicing process in TOS begins for each assessment.
- Test coordinators will receive an email when the window opens.
- General timelines include:

	September Testing	October Testing
Invoicing process opens in TOS	Mid October	Mid November
Deadline to complete invoicing process	Mid November	Mid December
Invoices are mailed to schools (if applicable)	Mid January 2021	Mid January 2021

- There are 3 general purposes of the invoicing process:
 - Generate an invoice to be paid by the school
 - Make grade-level adjustments
 - Identify students eligible for fee-reduction or fee waiver benefits
- Your school may or may not need to participate in the invoicing process, although we recommend all schools to do so. Explanations for why you would want to participate are provided on the next slides.

Invoicing Process

Generating an Invoice

Why would I need to generate an invoice for my school?

- Applicable for SAT with Essay, PSAT/NMSQT, and PSAT 8/9
- Schools do not have to pay for fall testing if the following is true:
 - Your school is eligible to participate.
 - Your school is testing eligible students.
 - You are administering the authorized assessment on an MDE-sponsored date.
 - If all of these are true, your school will not be sent an invoice.
- If you ordered assessments or grades others than what is being provided by MDE, schools will be billed for these tests.
 - Example: School has 8th and 9th graders.
 - School orders and administers PSAT 8/9 to their 8th graders and 9th graders.
 - School will generate an invoice and pay for their 8th graders, while MDE will be billed for the 9th graders.
 - Example: School orders SAT (without Essay)
 - School will be billed for these assessments since MDE is providing the SAT with Essay only.

Invoicing Process

Making Grade-Level Adjustments in TOS

Why would I need to make grade-level adjustments?

- Applicable for SAT with Essay, PSAT/NMSQT, and PSAT 8/9
- Coordinators should ensure that student's grades they bubbled are accurate.
 - Example: A student bubbles they are in 8th grade, but they are actually in 9th grade.
 - Your school will get charged for this test since 8th graders aren't being covered by MDE in the fall.
 - Therefore, you can make corrections, so your school is not invoiced.
 - Example: A student bubbles they are in 10th grade, but they are really in 11th.
 - MDE will cover this grade; however, 10th graders are not eligible for the National Merit Scholarship.
 - You would want to ensure the student is eligible by correcting their grade to 11th.

IMPORTANT: Invoices will not be waived for schools that do not make grade-level adjustments before the deadline.

Invoicing Process

Identifying Students for Fee-Reduction or Fee Waiver Benefits

Why would I identify eligible students for fee-reduction or fee waiver benefits?

- Applicable for SAT with Essay, PSAT/NMSQT for 11th graders
- Identifying the number of students eligible for fee reductions/waivers is a way to deliver benefits to students such as 2 free weekend SATs, unlimited score reports, and more.
- Two ways to identify students for benefits:
 - **Option 1.** Schools were provided with fee waiver codes in the Download Center of the K-12 reporting portal in March to provide to eligible students.
 - Those codes are still available to give to eligible 12th grade students who need the School Day benefits.
 - If you choose this option, **no action** is needed in TOS after testing to identify students.
 - Additional codes for 11th graders who will take the SAT with Essay in Spring 2021 will be available in the K-12 reporting portal in the spring.
 - **Option 2.** Identifying students for fee-reduction benefits in TOS after testing is another way to deliver these benefits to students.
 - Complete this activity by the scheduled deadline for students to receive benefits in their College Board accounts.

Invoicing Process

- Once the invoicing window has opened, log into TOS.
 - Select **Enter Invoice Information**
 - Follow the prompts, as needed

Parental Consent

Parental Consent

Updated September 11, 2020

- The **Fall 2020 School Day Testing for MDE-Provided SAT with Essay, PSAT/NMSQT, and PSAT 8/9** document posted to www.Michigan.gov/mme and www.Michigan.gov/psat contains information about parental consent.
- MDE indicates that parents must provide consent to their student's school for students under the age of 18 to opt into Student Search Service® and to complete the optional questionnaire for the SAT with Essay and PSAT/NMSQT this fall.
- Parental consent collected for Fall 2020 testing will not need to be collected again for Spring 2021 testing.
- Schools and districts determine how and in what format parental consent is obtained.
- MDE has provided a consent form that may be used.
 - The **MDE SAT Suite of Assessments Participation in College Planning Options Consent Form** is also available on the Michigan webpages.
- Schools should keep parental consent information on file in the school for three years and does not need to be sent to College Board.
- Students may now opt-into Student Search Service and complete the optional questionnaire online. More information is available in the September 10 Spotlight.

Off-Site Testing

Off-Site Testing

Updated July 30, 2020

- No requests or approvals to test at an off-site location this fall are necessary.
 - This is to provide flexibility for schools and because fall testing is not being used for accountability.
 - School **must** request approval for Spring 2021 testing.
- Schools can securely transport materials to their off-site testing locations, as needed.
 - Be sure that someone is at the off-site testing location to receive the materials and keep them securely stored until test day.
- If you are sending all of your materials from the off-site location to the school's primary address for one consolidated return of materials back to College Board, no additional return materials will be necessary.
- If you are returning your materials directly from the off-site location, you will likely need additional return materials to be sent to you.
 - Submit the [Ancillary Materials Request Form](#) by the applicable ordering deadline

Secure Site Down for Maintenance September 20, 2019

On **Friday, September 20, 2019** the OEAA Secure Site will be down for required maintenance in the early morning hours. If everything goes as planned, the Secure Site will be back up by 7:00 AM. If you are administering the Early Literacy and Mathematics Benchmark Assessments (K-2), we advise that you have students who will be testing on September 20 pre-identified on the Secure Site by September 19 to ensure the school doesn't incur any delays in testing.

This will only affect activities on the Secure Site and does not affect the testing of the Fall 2019 Early Literacy and Mathematics Benchmark Assessments in INSIGHT.

Kindergarten WIDA Screener Field Test Opportunity

WIDA is developing a new Kindergarten screener that can be used to identify Kindergarten English learners. This test will eventually replace the Kindergarten W-APT. **WIDA is seeking schools that can administer this paper/pencil Kindergarten Screener to at least 20 students between January 6 and February 28, 2020.** WIDA will provide all test materials and a test administration manual to make the testing process as easy as possible. Sites that successfully complete the field test will receive \$100. If interested in participating, complete the [sign-up form](https://bit.ly/2TBA27q) (https://bit.ly/2TBA27q).

Questions about this field test opportunity can be directed to Joy Pfeiffer at jcpfeiffer2@wisc.edu or by phone at 608-263-2735.
