\*ACT Definition of College and Career Readiness is defined as the percentage of students that meet the following four minimum scores on the ACT: 18 on English, 22 on math, 21 on reading and 24 on science. Research by the ACT suggests that meeting the college readiness benchmarks allows for a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in college courses of the same subject area.)
